SUPER SPACE SHUTTLE

PRINT PAGE 2 ON A4

YOU WILL NEED:

- scissors
- glue
- a Clangers figurine
- a grown-up to help

1

Cut out the shuttle and pod on the sheet. Ask a grown-up to help you cut out the circle in the middle of the pod – this will be the cockpit!

2

Roll the pod into a cylinder and glue it together. Stick the cylinder on top of the shuttle.

3

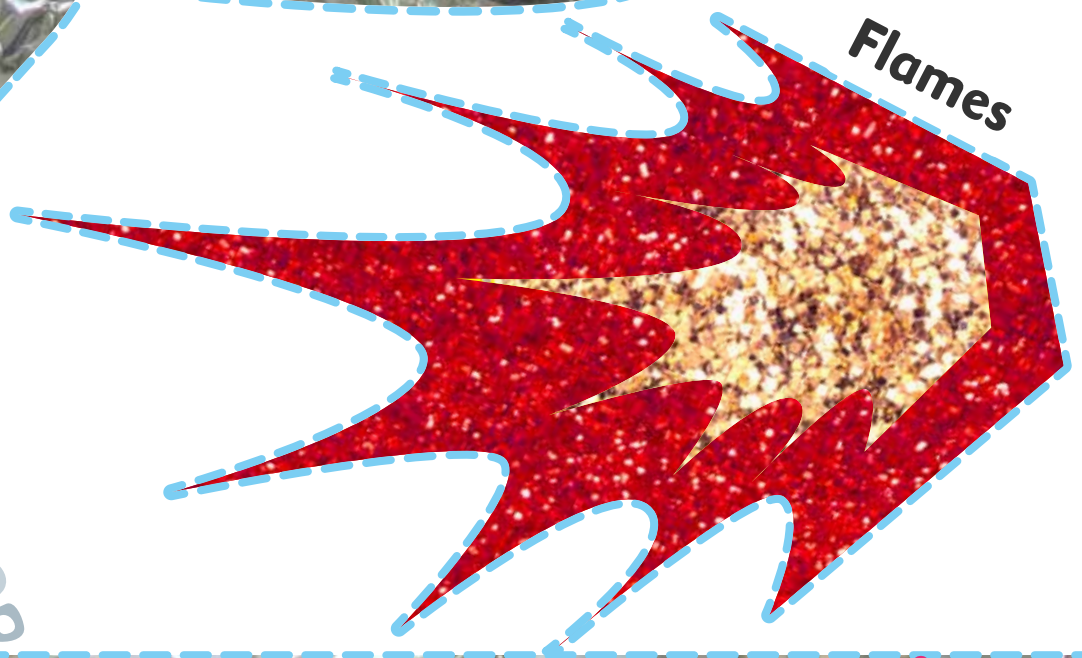

Cut out the power flames, and stick them on to the back of your shuttle!

4

Pop your toy into the cockpit and you're ready to blast off! First stop, the Moon!
