

**WORKSHOP
WEDNESDAY!**

SUPER SPACE ROCKET

YOU WILL NEED:

- safe scissors
 - safe glue
 - empty cereal box or card
 - a grown-up to help
 - a cardboard tube
 - a small yogurt pot
 - silver foil
 - colourful rocks or modelling clay
- 

**SAVE PAPER!
JUST PRINT
PAGE 2**

1

Print page 2 and stick it onto the large side of a cereal box or some A4 card.

2

Cover the cardboard tube and yogurt pot with foil and glue together.

3

Stick the front of the rocket and the side propeller onto the tube. Ask a grown-up to cut a slit in the top of the rocket.

4

Slot Small into the top of the rocket. Stick blue side fins on each side of the rocket.

5

Stick the rocket base onto the back of the rocket. Now fly around and fill the collector (yogurt pot) with your rocks or balls of modelling clay
